

Make and Take

Rain Barrel Workshop

Saturday, March 18, 2017; 10:00 am
Peter Muhlenburg Middle School, Woodstock, VA

\$45 per barrel

REGISTRATION REQUIRED!

Includes all materials. Space is limited.

Save money and water! Help keep the river clean!

- **Think about where you will place your rain barrel near a downspout.**
This will help you decide where to put a faucet on the barrel.
- **Be ready to take your barrel home!** They are large, but may fit in a backseat.
- **You will need to drill one hole in your downspout when you get home.**
Everything else can be done at the workshop.
- No experience is necessary. This is an easy do-it-yourself project. We'll help!
- Price includes a recycled plastic barrel and simple conversion kit.
- Ages 6 and up may attend. Under 18 need a parent or guardian present.
